Mr. George Collier,
Warsaw, N. Y.

Dear Sir;

I thank you for your letter of Jan. 26th. I am enclosing herewith carbon copy of letter I have just written to Mr.Robert Collier of Denver Colo. which will throw a little light on the subject. A little later I will send you a complete letter giving data you are inquiring about but it is impossible to do so today.

Some time I trust to have the pleasure of knowing you as I am quite frequently in New York City. At present my son, D.C. Collier, is in Europe and has been since October and has met several Colliers but none apparently that are connected with our direct family.

Very respectfully,

J. C. Collier.
